Release Agreement for the Short Video Dataset

You (the researcher) have requested permission to use the Short Video Dataset (SVD) at `https://svdbase.github.io`. The researcher hereby agrees to the following terms:

- The researcher shall use the SVD dataset only for non-commercial algorithm research and educational purposes. Except for the above purposes, the researcher may not use the SVD dataset for any other purposes, including but not limited to distribution, commercial use, advertising, etc.

- `https://svdbase.github.io` does not make any representations or warranties regarding the SVD dataset, including but not limited to warranties of non-infringement or applies to a particular purpose.

- The researcher takes full responsibility for his or her use of the SVD dataset and shall defend and indemnify the `https://svdbase.github.io`, including their affiliates, employees, trustees, officers and agents, against any and all claims arising from the researcher's use of the SVD dataset, including but not limited to the researcher's use of any copies of copyrighted videos, clips and screenshots that he or she may create from the SVD dataset.

- The researcher may provide other researchers and colleagues with access to the dataset, provided they first agree to be bound by these terms.

- The researcher agrees and confirms that `https://svdbase.github.io` reserves the right to terminate the researcher's access to the SVD dataset at any time.

- If the researcher is employed by a for-profit business entity, the researcher's employer shall also be bound by these terms and conditions, and the researcher hereby shall represent that he or she is fully authorized to enter into this agreement on behalf of such employer.
